

We Make SAP SuccessFactors Work.

GET YOUR HIRING MOJO BACK!

SAP SuccessFactors is just not built for recruiting. It's clunky, frustrating and slows down the hiring process. MojoHire makes SAP SuccessFactors work for hiring.

Get the Most Out of SAP SuccessFactors

MojoHire isn't yet another platform. We power SAP SuccessFactors and other systems to perform better and be easier to use, dramatically improving hiring productivity, and hiring team morale.

Break Down Hiring Silos

Since MojoHire is always on and matching, all of your recruiter's work in perfect sync. No matter who sourced a candidate or when they applied, MojoHire automatically matches them with the best fit role.

Supports Diversity Goals

MojoHire's anonymization capability focuses recruiters' and hiring managers' attention on the objective facts around a candidate's qualifications to minimize unconscious bias.

Leverage the Data You Already Own

You are sitting on a gold mine of talent. Rediscover and re-engage applicants hidden in your own HR systems.

Support Internal Mobility

MojoHire makes it easy to identify ideal internal candidates and recommends the best back-fill candidates instantly.

Hire Faster and Better with intelligence technology

MojoHire's always-on technology instantly matches candidates to jobs and jobs to candidates. You'll have a plethora of qualified candidates the moment you post a job.

Single View of All Talent

Regardless of where the data resides, MojoHire gives recruiters and hiring managers a single view of available talent, instantly.

Increase Speed of Hire & Productivity

Stop wasting time and money trying to make SAP SuccessFactors work. Get the most out of your current systems without adding yet another platform.

Happy Recruiters & Hiring Managers

Recruiters and hiring managers will love the simplicity of MojoHire's single interface and see increased collaboration.

One System to Rule Them All. And Discover Talent, Too.

MojoHire Wrangles in SAP SuccessFactors, and other HR systems, while our powerful intelligence technology brings an endless pipeline of qualified and diverse candidates you'll hire at record speed.

Hear what our customers have to say

"To know that a candidate applied for a job 5 months ago and now emerged as a match for a new job right out of the gate is a huge value to us and saves our team an incredible amount of time."

Ian Ide
VP of Talent Acquisition,
Foundation Medicine Inc.

"With MojoHire, searching for candidates has been eliminated. Instead we start reviewing qualified candidates... IMMEDIATELY."
